

NEED A LOCAL

FAMILY DOCTOR OR NURSE PRACTITIONER?

If you do not have a family doctor or nurse practitioner—or if yours is outside of the Hastings Prince Edward region—you can r**egister with Health Care Connect** to find care close to home.

Call or visit online to get started. You will answer a few basic health questions, and Health Care Connect will match you with a local family doctor or nurse practitioner as soon as one becomes available.

All you need is a **valid Ontario Health Card** and a current mailing address linked to your card.
