

## NEED A LOCAL FAMILY DOCTOR OR NP?

If you do not have a family doctor or nurse practitioner—or if yours is outside the Hastings Prince Edward region—you can **register with Health Care Connect** to find care close to home.

Call or visit online to get started. You will answer a few basic health questions, and Health Care Connect will match you with a local family doctor or nurse practitioner as soon as one becomes available.

All you need is a **valid Ontario Health Card** and a current mailing address linked to your card.

### Register Online

- Visit Ontario's "Health Care Connect" page
- Follow steps on website

### Register by Phone

- Call 8-1-1
- Available 24 hours a day, 7 days a week
