Post THREE:

Strong Communities Start With Strong Care

Great news, HPE! Ontario is making big investments so more people can have their own family doctor or nurse practitioner close to home—and you can be one of them!

Signing up for Health Care Connect is the best way to get matched. It doesn't matter if you live in Bancroft, Belleville, Quinte West, Trenton, or anywhere in between. This service helps to connect local residents to local care.

Why does having a primary care provider matter?

Because they get to know you, your health, and your life. They help you stay healthy in the long run.

Our Ontario Health Team and Primary Care Network are working closely with Care Connectors to help every resident find the care they deserve. ❤️

📞 Ready to join? Call 8-1-1 or register online today.

Your health matters—and we're here to help you find your care home.
