

Job Title Physician-Primary Care

Job Type: Full-time, Permanent- New Position

Salary: \$331,974.00- Annually

Schedule: Monday to Friday, **Location:** Tweed, ON,

Gateway Community Health Centre, located in rural Ontario, provides comprehensive primary care, dental services, and allied health support. Our work focuses on health promotion and illness prevention, delivered through a collaborative, inter-professional team.

We serve individuals and families at every stage of life, with a particular emphasis on those at higher risk or facing barriers to accessing care. We are deeply committed to innovation and excellence in service delivery, while fostering an inclusive workplace and partnering to build a vibrant, healthy community where everyone can thrive.

We are currently seeking a **Primary Care Physician to join our team.**

Our organization brings together Primary Care Providers, Allied Health Professionals, Community Health Team, and a Dental Clinic. Physicians maintain a roster of primary care patients while working closely with a diverse team of healthcare professionals to deliver high-quality, coordinated care.

Our approach integrates medical treatment with an understanding of the social determinants of health. We prioritize patient-centred care, recognizing that each individual has unique goals and may benefit from the expertise of multiple providers over time. Every team member practices to the full scope of their skills and experience to achieve the best possible health outcomes.

We also leverage electronic medical records and digital tools to support effective communication and ensure timely, coordinated care across our team.

Our offer for a full- time physician is comprehensive and includes a competitive compensation package and benefits.
