

DIETITIAN – Permanent Full Time (1 FTE)

The Central Hastings Family Health Team is currently recruiting a Dietitian to join their team. This role will be in partnership between Gateway CHC and the Central Hastings Family Health Team. Both the Central Hastings Family Health Team and Gateway CHC deliver primary health care through an interprofessional team in a collaborative model.

The Central Hastings Family Health Team is a dynamic team of professionals. We are located in the heart of Hastings County with offices in Madoc, Marmora and a satellite clinic in Gilmour. The successful candidate will potentially be working at all sites and on a hybrid remote basis. This is a full time (1 FTE) permanent position.

We are an equal opportunity employer seeking an energetic individual with the ability to work well independently and within the Team framework. You will be working collaboratively with other members of the interdisciplinary team to provide healthcare to our patients.

You will be involved in the health promotion and illness prevention strategies and develop specialized nutrition therapy to address nutrition-related illnesses.

You will be a key member of the diabetes, health and chronic illness management programs. You will work with individuals, families and groups of patients.

You will have a Baccalaureate Degree in Foods and Nutrition. Experience preferred - Inquiries from new grads welcome. You will need to be eligible for registration with the College of Dietitians of Ontario.

Compensation & Benefits

- \$32.35 - \$36.62 per hour – 40 hours per week - paid bi-weekly pay period
- Healthcare of Ontario Pension Plan
- Group Health Plan /Employee Assistance Program
- Compensated mileage for “home site – site travel”

If you feel that you will be a valuable member of our Team, please respond in writing by to:
