COVID, COLD & FLU CARE CLINICS

Is the COVID, Cold & Flu Care Clinic the right place for you?

- You are experiencing respiratory symptoms such as fever, sore throat, sinus congestion, new or worse cough or shortness of breath, with or without vomiting or diarrhea.
- You have been unable to book an appointment with your primary care provider, or a health care professional has referred you to this clinic.
- You are unable to safely monitor your symptoms at home.
- You are at higher risk of severe illness, such as immunocompromised individuals, regardless of vaccine status.

Appointments must be pre-booked. No walk-in appointments available.
